Editorial Policy

This brochure reports on the environmental preservation activities of Furukawa Electric in fiscal 2002. In compiling this report, we made reference to Environmental Reporting Guidelines (Fiscal Year 2000 Version) (in Japanese) published by the Ministry of the Environment as well as Sustainability Reporting Guidelines 2000 by Global Reporting Initiative. In addition to the articles covered last year, this report will include, for better disclosing our initiatives in sociality and in consolidated, safety and health activities and the activities of affiliated companies.
