**Re: Expiry dates for terminated FITEL Fusion Splicer products' parts supply**

Dear FITEL Fusion Splicer customers

Please be informed of the below mentioned expiry dates for already terminated FITEL Fusion Splicers and the related tools' Spare Parts supply. Furukawa continue to hold stock of the Spare parts for 6 years after the termination of the product. Please refer to the below chart for the expiry dates for each product which we have announced its sales termination.

Thank you very much for your attention on this matter.
